This screenshot shows a complex grid of course selection options. The interface is heavily stylized with a dark background and vibrant colors like purple, green, and yellow. It features multiple columns and rows of course information, including course numbers, names, and selection status. A prominent red button is visible in the upper right corner, and a navigation bar is at the top.

This screenshot shows a web browser window displaying a course selection page. The address bar shows the URL: 42.49.134.163:20016/yxsksdy/xsxxk/xsxxk_infaEx/fj050_zbld=16A9867787612878010017851478000. The page content includes course details such as "13003091 哲学、教育、人生 2 袁飞 2-15周 星期二 9-10节 第二实验楼A106 百院 60 人文社科 选课". Below this, there are sections for "选课展示" (Course Selection Display) and "选课日志查看" (View Course Selection Log). The page is cluttered with various buttons and text elements, and a red box highlights a specific area in the "选课展示" section.
